Bachelor of Computer Science

2022-2026

Bahauddin Zakariya University
Multan, Pakistan

GPA: 3.8 / 4.0

PROJECTS

Successfully collaborated with multiple educational institutes, local brands, and international clients to deliver high-quality graphic design solutions tailored to their branding and marketing goals. Designed professional posters, social media campaigns, brand identities, promotional materials, and digital advertisements that enhanced audience engagement and strengthened brand visibility. Worked closely with clients to understand their vision and transform creative concepts into impactful visual designs with modern and market-focused aesthetics.

Led and managed creative design teams in various projects, ensuring smooth workflow, timely project completion, and consistent design quality. Contributed to building long-term market identity for food businesses and commercial brands through unique branding strategies, logo design, menu visuals, and promotional content. Demonstrated strong leadership, communication, and creative problem-solving skills while handling both local and international design projects in fast-paced professional environments.

ACHIEVEMENTS

Awarded Certificate in Graphic Designing (Grade A) from Bahauddin Zakariya University (BZU), securing top position among 300+ students for outstanding performance. Recognized for strong creativity, technical skills, and consistent academic excellence in design.

Completed Diploma in Graphic Designing (Grade A) from Rohaan Institute of Computer Studies, Multan, and achieved class top position, demonstrating advanced proficiency in design tools, creativity, and professional-level visual communication skills.
